## Welcome to the Online Manuscript Submission, Tracking and Peer Review System for Physics and Chemistry of Glasses: European Journal of Glass Science and Technology Part B.

Editorial Manager® is an online submission and review system. Authors may submit manuscripts and track their progress through the system, hopefully to publication. Reviewers can download manuscripts and submit their opinions to the editor. Editors can manage the whole submission/review/revise/publish process. Publishers can see what manuscripts are in the pipeline awaiting publication. Email is sent automatically to appropriate parties when significant events occur.

We hope you find the system user friendly and will always welcome any comments you may wish to make. Should you have any difficulties please refer to the ['Help'](#) link.
